Humanities Courses 2018-2019

Please note:
All freshman humanities courses, courses numbered En 84 – 89, and many advanced humanities courses are limited enrollment, usually no more than about 18 students (fewer for En 84 – 89). Please check the course schedule from the Registrar’s Office in advance of each term’s registration for more information. First-year students are strongly advised to complete their freshman humanities requirement during their first year. At most, two sections of each freshman humanities course are typically offered in a year. Students should be prepared with alternatives to their first choice. Please click here for course descriptions.
