

Mu22/Mu39 make-up concert opportunities

If you missed the concert at Disney Hall, you need to attend one professionally played concert during the term (Mu 39 can fulfill one concert requirement with a Caltech chamber music ensemble concert in May but not two).

Any of the concerts by the LA Phil will count. Disney Hall can be reached easily on the Metro (bus or train). Student rush tickets are usually available. It is always advisable to call ahead and check on availability.

Southwest Chamber Music is doing a program on April 25 and April 26 with music of Mahler. Check the SCM web site for info.

Those are the best choices I see which are reasonable and easily accessible at the moment. I'll update if I discover anything else.
